STORY BOARDING

HAPPY:

Some of the underrated Teams/Player can prove themselves on a good competitive level.

HAPPY:

Urvesh is video editor. He wants to work and he finds out Some Content Creators who are want an editor, from that he earn very good amount.

SAD:

Though Nirav is a brilliant student but he spending more time on playing games and watching his favorite E-sports player's game play. This may affect his Study.

SAD:

There is less awareness about E-sports and gaming in our India. Indian Parents are not always allow their child to spend his/her lots of time on games.
